

*Department of
Mechanical and Aeronautical Engineering
University of Rome "La Sapienza"*

11th International Stirling Engine Conference - 11th ISEC -

Preliminary Programme

*"Aule del Chiostro"
Faculty of Engineering
University of Rome "La Sapienza"*

Rome, 19th – 21st November 2003

<http://dma.inq.uniroma1.it/isec2003>

Wednesday, November 19th, 2003
--

16:00 *Conference Registration*

17:00 Visit to the Church of S. Pietro in Vincoli and to the *Mosè di Michelangelo*

18:00 *Opening Ceremony*

19:00 *Welcome Cocktail*

Thursday, November 20th, 2003

9:00 *Opening General Session*

Invited speaker

Prof. I. Kolin, Zagreb University, Zagreb, Croatia

(Issue to be defined)

Thermodynamics and Systems Design

Chair.....

11:30 *Coffee Break*

12:00 *Technical Session*

Promising Applications of Stirling Engines

Chair.....

13:30 *Lunch*

14:30 *Parallel Events*

Poster Session

Meeting of the

International Stirling Engine Council

16:30 *Coffee Break*

17:00 *Technical Session*
Design and Construction of Components
Chair.....

Friday, November 21st, 2003

9:00 *Technical Session*
Operational and Environmental Aspects and Problems
Chair.....

11:00 *Coffee Break*

11:30 *Technical Session*
Innovative Solutions and Developments
Chair.....

13:30 *Lunch*

14:30 **Industrial and Commercial Perspectives of Stirling Machines**

16:30 *Coffee Break*

17:00 *General Session*
**The Present and the Future Perspectives of Stirling Machines: Policies
to be Implemented**
Chair.....

18:30 *Closing Ceremony*
